

NIHR Imperial CRF Acknowledgement Statements

You MUST acknowledge NIHR Imperial BRC and CRF funding and support. Failure to do so will result in financial penalties.

BRC funding supports essential infrastructure across the College and Trust and so BRC acknowledgement must be included in all outputs.

Project fully funded by the BRC, supported by the CRF

'This <article/paper/report> is independent research funded by the NIHR Imperial Biomedical Research Centre and supported by the NIHR Imperial Clinical Research Facility. The views expressed are those of the author(s) and not necessarily those of the NHS, the NIHR or the Department of Health and Social Care.'

Project co-funded with the BRC, supported by the CRF

'This research was co-funded by the NIHR Imperial Biomedical Research Centre and <co funders>, and was supported by the NIHR Imperial Clinical Research Facility. The views expressed are those of the author(s) and not necessarily those of the NHS, the NIHR or the Department of Health and Social Care.'

Project supported by the BRC and CRF

'This research was funded by <funders>. Infrastructure support was provided by the NIHR Imperial Biomedical Research Centre and the NIHR Imperial Clinical Research Facility. The views expressed are those of the author(s) and not necessarily those of the NHS, the NIHR or the Department of Health and Social Care.'

Official Names

NIHR Imperial Clinical Research Facility
NIHR Imperial Biomedical Research Centre

Names can be shortened after the initial mention to
NIHR Imperial CRF and NIHR Imperial BRC

NB: for publications with a limited word count, the disclaimer can be omitted and the shortened BRC and CRF names used.

Please inform your CRF/BRC contact when submitting publications.

Document adapted with thanks to our colleagues at the NIHR Manchester BRC and CRF
